

DTE ENERGY HEATING AND COOLING AND WATER HEATING (HVAC) PROGRAM 2022 UPDATES

Effective January 1, 2022, rebates for DTE residential HVAC measures will remain the same as they were in 2021 – **apart from air source heat pumps.**

Applications for 2021 installations will still receive the 2021 rebate amounts. These applications, however, must be submitted to the program no later than 20 days following installation.

Please review the eligibility requirements for the listed measures below.

Furnace Rebates

AFUE	95%	96%	97% or higher
Rebate Amount	\$100	\$200	\$500

Customer Eligibility: All residential DTE natural gas customers replacing an existing furnace.

Air Conditioning Rebates

SEER	15	16	17	18 or higher
Rebate Amount	\$100	\$200	\$300	\$500

Customer Eligibility: All residential DTE electric customers replacing an existing air-conditioning system.

Thermostat Rebates

Thermostat Type	Wi-Fi Connected
Rebate	\$50

Customer Eligibility: All residential DTE natural gas or electric customers replacing a non-wi-fi thermostat. Thermostat must be connected to an on-

premise internet network.

Heat Pump Rebates

Heat Pump Type	Equipment Eligibility Requirements	Rebate
Air Source	15 SEER; AHRI Rated	\$150
Air Source	16-17 SEER; AHRI Rated	\$250
Air Source	18 SEER; AHRI Rated	\$750
Air Source	19+ SEER; AHRI Rated	\$850
Ground Source	17+ EER	\$800
Ductless Mini-Split	18+ SEER; 9+ HSPF <i>(Both must be met)</i>	\$1,000

Customer Eligibility: Ground source heat pump rebates are eligible only for customers who are replacing an existing heat pump system and use electricity as the primary heating fuel. Ductless mini-split heat pumps are eligible for customers who are replacing a heat pump or electric resistance heating.

Tune-Up Rebates

Tune-Up	Customer Eligibility	Rebate
Diagnostic Central AC Tune-Up	<ul style="list-style-type: none"> Residential DTE electric customers CAC Tune-Ups on the same system are only eligible for one rebate every five years 	\$75
Diagnostic Furnace or Boiler Tune-Up (with combustion analysis)	<ul style="list-style-type: none"> Residential DTE gas customers Furnace/Boiler Tune-Ups on the same system are only eligible for one rebate every two years 	\$75

Boiler and Water Heater Rebates*

Equipment	Minimum Efficiency	Incentive	Program
Tankless Natural Gas	UEF Rated; ENERGY STAR®	\$100	Midstream Only

Water Heater	Certified Model		
Storage Tank Natural Gas Water Heater	UEF Rated; ENERGY STAR Certified Model	\$50	Midstream Only
Heat Pump Water Heater	UEF > 2.0; Maximum Capacity of 55 Gallons	\$650	Midstream Only
Natural Gas Boiler	95% AFUE ARHI Rated or Higher	\$800	Midstream Only
Boiler ECM Circulator Pump	Hydronic Heating System	\$65	Midstream Only

*Boiler incentives are no longer be offered through the customer-facing (downstream) incentive delivery channel. Rebates will move exclusively to participating distributors. All residential DTE natural gas customers replacing an existing boiler are eligible. Eligible water heaters must meet the following efficiency minimums to be eligible for the residential program: Natural Gas Storage Tank Water Heaters: 0.64 UEF, Natural Gas Tankless Water Heaters: 0.81 UEF, Heat Pump (Hybrid) Water Heaters: 2.0 UEF. Any commercial-oriented water heater models are not eligible for the incentives through the residential program. Heat pump water heaters must replace an existing electric water heater.

Customer Eligibility Quick Reference Chart

Please use this chart as a quick reference of customer eligibility. Some equipment types, such as heat pumps, have additional eligibility requirements that must be considered.

Equipment Type	Customer Type Gas	Customer Type Combo	Customer Type Electric
Thermostat	Yes	Yes	Yes
Furnace	Yes	Yes	No
Boiler	Yes	Yes	No
Diagnostic Furnace Tune-Up (with combustion analysis)**	Yes	Yes	No
Diagnostic CAC Tune-Up**	No	Yes	Yes
Central AC	No	Yes	Yes
Heat Pump*	No	Yes	Yes

**Additional eligibility requirements apply. Please refer to equipment eligibility guidelines or contact an ICF Account Manager for further information.

2022 materials are available for order through our [Digital StoreFront](#).
