GET BONUS REBATES UP TO **\$1,000\***

Until Dec. 31, DTE Energy has increased rebates on multiple HVAC upgrades up to \$1,000. Choose how you improve your home comfort with furnace, air conditioning, heat pump water heater and whole system upgrades that will help you save more on your energy bills.

Equipment Type	Previous		New
	90% AFUE	\$300	\$300
Furnace <sup>1</sup>	97% AFUE	\$400	\$650
	17-SEER2 AC	\$300	\$550
Heat Pump Water Heater <sup>1</sup>		\$750	\$1,000
Whole System <sup>2</sup>	Additional \$500 bonus for having a qualifying furnace, AC and thermostat installed on the same premise during the same installation appointment.		

<sup>1</sup>EE gas and electric customers who heat their homes with DTE natural gas and are replacing an existing furnace only. DTE electric customers replacing existing AC only. DTE electric customers who currently heat their space with electric heat are replacing an existing electric water heating system only. <sup>2</sup>EE contractors electric and gas customers only.

These increased rebates will only be available for a limited time, so make sure to schedule an appointment with a participating contractor with installation occurring between Oct. 1 and Dec. 31, 2024.

For program eligibility and to learn more about energy-efficient HVAC systems, ask your participating contractor or visit [dteenergy.com/hvac](http://dteenergy.com/hvac)

\*Up to \$1,000 in heating and cooling rebates. Installation must occur between Oct. 1 and Dec. 31, 2024, and applications received by Jan. 10, 2025. Funds for rebates are limited and available on a first-come, first-served basis. Customers may apply for rebates on multiple projects. Rebates are subject to program rules. Rebates may be limited or unavailable in some jurisdictions. Each unit must be individually metered for natural gas and electric, and each unit must have its own heating, cooling and water heating equipment. Some contractors and their work may not qualify.
