

**Jump Start Heating Season with Free Furnace Tune-Up Promotion - Participation is Easier Than Ever!**

Join DTE Energy's FREE Diagnostic Furnace Tune-Up promotion. The program will rebate up to \$145 of your tune-up service fee.

**Customer and Eligibility Requirements:**

- Diagnostic Tune-Up service must be performed between Sept. 1 and Dec. 1, 2025.
- Submit applications within 20 days of service. Application deadline is Dec. 1, 2025.
- Customers must heat their home with natural gas supplied by DTE.
- Customers who received a furnace diagnostic tune-up rebate in the 2025 and/or 2024 program year are not eligible.

**Two Ways To Participate:**

Instant Discount on the Invoice	Customer Receives a Check
For qualified DTE natural gas customers, apply the DTE rebate directly on the invoice.	For qualified DTE natural gas customers, apply for the customer through the online portal
Use the convenient Rebate Reassignment feature when submitting the application in the online portal.	Customer receives a check in the mail directly from the program.
Get reimbursed directly by the program	Customer checks may take up to 8 weeks.

Leverage DTE’s limited time Diagnostic Tune-Up promotion to help jump start the heating season to provide a value-added service for customers. For more information or questions, please email us at [dtehvac@icf.com](mailto:dtehvac@icf.com) or call 855.539.1906.
