

## 2025-2026 New Home Construction Program Updates

Thank you for your continued partnership in building energy-efficient homes. Please submit any remaining 2025 applications by January 30, 2026, but applications received after mid-December may experience rebate delays.

 **Attention Raters:** Please review projects under construction in Ekotrope® and cancel all outstanding projects that are either duplicates or do not qualify for incentives.

---

We're excited about what's ahead. Watch for updates, including details on our 2026 program kick-off webinar. If you have questions, feel free to reach out.

Missed any 2025 Building Smart webinars or technical bulletins? Access them anytime on the Energy Efficiency Learning Center (EELC) for [DTE Energy](#) or [Consumers Energy](#).

---

Thank you for your continued support of the Consumers Energy and DTE New Home Construction Programs. If you have any questions, please contact your Program Manager:
