

Technical Bulletin: How To Read New Home Construction Builder Reports

A new bulletin "How to Read New Home Construction Builder Reports", has been added to the [Consumers Energy](#) and [DTE Energy](#) Energy Efficiency Learning Center (EELC). You can also [click here](#) to view!

As a reminder, you have access to free [Consumers Energy](#) and [DTE](#) EELC courses covering topics such as code compliance, building science, sales and marketing. If you are interested in more information or need login credentials, please reach out.

If you have requests for future topics or courses, let us know - we're always looking for opportunities to incorporate them in future technical bulletins or EELC course. Thank you for your continued support of the Consumers Energy and DTE New Home Construction Programs. If you have any questions, please contact your Program Manager or Account Manager:
