

Kick Off Heating Season with DTE Energy's Furnace Tune-Up Promotion

DTE's Diagnostic Furnace Tune-Up promotion is back. For a limited time, DTE is offering an increased rebate up to \$150 on eligible diagnostic tune-ups completed this fall.

Customer and Eligibility Requirements:

- Diagnostic Tune-Up service must be performed between Sept. 1 and Nov. 15, 2026
- All applications must be submitted to the program by Dec. 31, 2026
- Customers must heat their home with natural gas supplied by DTE
- Customers who received a furnace diagnostic tune-up rebate in 2026 or 2025 are not eligible

Two ways to participate:

Customer Receives an Instant Discount on their Invoice	Customer Receives a Check in the Mail
Complete a Diagnostic Tune-Up service for your customer	Complete a Diagnostic Tune-Up service for your customer
Apply the rebate directly on the invoice as a credit	Submit the required documents with the tune-up application in the Contractor Rebate Application Portal
Submit the required documents with the tune-up application in the Contractor Rebate Application Portal	Customer receives a check in the mail directly from the program
Get reimbursed directly by the program	Customer checks may take up to 4-6 weeks to receive

Required Documentation:

- Completed Tune-up Report
- Terms and Conditions signed by the account holder
- Signed Rebate Reassignment Form (Only needed if the customer is receiving an instant discount on the invoice)

Thank you for your continued participation in the DTE Energy HVAC program. If you have any questions, please email us at dtehvac@icf.com or call 855.539.1906.
