

Previous DTE Energy Rebate Application Portal Closes Aug. 31

The [previous DTE rebate application portal](#) will no longer be available after Aug. 31, 2026. Until then, you can continue to have access to review and edit archived applications in that system.

All new applications must continue to be submitted through the [upgraded DTE Online Rebate Application System](#).

Please review and complete any outstanding applications in the previous portal before Aug. 31. After this date, access will no longer be available.

We appreciate your participation in DTE’s HVAC, Home Performance and EEA programs.

If you have any questions, please contact your Account Manager, or our Account Advocate hotline below.

Thank you,
